

Passwords

Teacher Notes

We have to use passwords in our everyday lives, but how do you make sure your password is as secure as possible?

The video will explain some techniques to “supercharge your password” so that it is less vulnerable to hackers. There is an online quiz that can be played to reinforce the points in the video.

The quiz can be found at:

[Joinmyquiz.com](https://www.joinmyquiz.com)

Enter the join code: 6597 6602

Equipment needed:

Computer / tablet with internet access
