

Alston Observatory Space Badge Competition Entry Form

Please email this entry form with your badge design to alstonspacebadge@uclan.ac.uk by midnight on 31st October, 2021.

Name:

Age:

Email address:

Your Entry:

The information you give us on this form will be used by us to tell you if you have won the competition or if you are chosen as a runner up. We might also use your information to help us plan other events in future, for example by looking at how old people are who have entered this competition. We will only keep your information until the competition is over and the winners and runners up have been chosen. We might keep some of your information longer if you are a winner or runner up so that we can put this on our website. We will only do this if we get permission from you or a grown-up who looks after you. You can learn more about how the University uses your information by looking on our website. Ask a grown up to explain this to you if you need help: <https://www.uclan.ac.uk/legal/data-protection>. The full terms and conditions of the competition can be found here: <https://lancashiresciencefestival.co.uk/>
